

### Chapter Three Paper

For your second paper in Eng101, take a look at chapter three in *Subject & Strategy*. Read all of the essays and then pick one you would prefer to write about. Your assignment is to summarize that essay, explaining the ideas that you found most interesting or useful, and how they relate to your own writing experience.

This essay must be organized with an introductory paragraph that includes a thesis statement and plan of development, at least three paragraphs in the body of the essay, and a concluding paragraph. Your essay must be **1,000 words** and developed with specific ideas. Please use MLA citation format (if you have questions ask me).

Make sure your paper is typed in Times New Roman size 12, titled, page numbers are inserted in the top right corner (lastname\_pagenummer), double spaced, and has one inch margins.

If you are submitting a rough draft to me, please submit your draft to my email by February 22nd. I will not examine late drafts! Your papers will be due to my email (professorwend@gmail.com) by midnight on February 26th.
